RESPONSE TO OFFICE ACTION

Mail Stop Amendment No Fee Commissioner for Patents P. O. Box 1450 Alexandria, VA 22313-1450

Dear Sir:

In response to the office action of November 17, 2005, Applicant provides the following amendment and response in lieu of all previous amendments to correct the status identifiers for the currently pending claims and provide a correct response to the restriction requirement. Applicant elects claims 1-7, 12-18, 21, 22, 36-39, and 50 as reading on the elected group (I) and species (FIG. 3). As previous, Applicant alleges that FIG. 3 includes FIGs. 1-3, as FIG. 3 includes the structures shown in FIGs. 1-2 and

adds additional structure. Applicant notes that claim 40 was originally missing, and is therefore presented as a canceled claim. Applicant has hereby withdrawn claims 8-11, 19-20, 23-35, 40-49, and 51-53. Therefore, claims 1-7, 12-18, 21, 22, 36-39, and 50 remain, consistent with previous requirements set forth by the Examiner. Should additional changes be necessary, it is requested that the Examiner call Randall Bateman at (801) 533-0320 to enter a further amendment.
